RUMORS

Don’t believe everything you hear! Don’t be fooled by the name “FUN BUS”. The word FUN has many meanings and everyone has a unique definition. Some people seem to think that our definition of FUN=ALCOHOL. SO NOT TRUE!! Although the Fun Bus is an excellent designated driver for weddings, bachelor parties and bar hops...this is NOT the only definition of FUN! In fact...MOST of our outings don’t involve alcohol at all!! Many church groups, clubs, senior centers, schools and corporations utilize the Fun Bus for safe and reliable transportation to a variety of destinations and NONE of them involve alcohol. If you have been hesitant to try the Fun Bus because of your fear of finding yourself stuck on a bus with a drunken crowd...it just doesn’t happen. Contrary to what you might envision...we do not have dancing poles, free flowing cocktails or frequent bar fights (apologies to our customers who define FUN with dancing poles, free flowing cocktails and bar fights...we CAN accommodate but you will have to charter your own bus.) In fact, the travel packages that we offer on the following pages rarely involve alcohol consumption at all. Of course if the description includes “winery” or “brewery” it is safe to assume that alcohol will be involved. Truth is...we DO allow alcohol consumption on the Fun Bus. However most of our customers only indulge when appropriate and they are always respectful of other Fun Bus passengers!! Having FUN together!

ALWAYS HIRING SAFE PROFESSIONAL DRIVERS! CDL & non-CDL
